ENVIRONMENTALLY SEALED ROCKER SWITCHES

Series - 8543, 8544, 8545

Environmentally Sealed Rocker Switches with Removable Button (RB Series)

FEATURES	SPECIFICATIONS		CURRENT RATINGS								
Environmentally sealed1, 2 and 4 pole circuitry	Watertight per MIL-STD-108E and designed to meet IP68 UL recognized and CSA certified Temperature range: -55°F to +150°F (-46°C to +66°C) Life: 20,000 operations at rated load 40,000 operations mechanical life	No. of Poles	Catalog Number	Type of Operation	110 11 10			115 VAC 60 or 400Hz			
2 & 3 position with maintained and momentary action Rocker button is removable for decal or icon interchangeability Multi-circuit Panel mounting variations Flush panel Sub-panel Rocker button variations Smooth and serrated in opaque					Resistive Load	Inductive Load	Lamp Load	Resistive Load	Inductive Load	Lamp Load
